Re: The Partially Funded Reserve Budget Vote

Florida Condominium law, F.S. 718.112(2)(f), requires that all reserves must be fully funded unless, at a duly called meeting, with a quorum, the majority of the voting interests present in person or by limited proxy, vote every year to alter this requirement. The Special Members Reserves and Annual Budget Meeting is held Monday, December 18, 2023 at 7:30 PM via Zoom. Ballots were cast by limited proxy only.

Association Members voted either YES to approve or NO to reject the Partially Funded Reserve Budget for 2024 and voted either YES to approve or NO to reject whether excess assessments will be applied to the 2024 Budget.

To pass the Partially Funded Reserve Budget, more than one half (1/2) of the total voting interests (105) must vote YES.
